

FractalSettings

```
graph BT; CSettings -- "dialogSettings, initialSettings" --> FractalSettings
```

The diagram illustrates an inheritance relationship between two classes. At the top is a white rectangular box with a black border containing the text 'FractalSettings'. At the bottom is a gray rectangular box with a black border containing the text 'CSettings'. A vertical purple arrow points from the 'CSettings' box up to the 'FractalSettings' box. To the right of the arrow, the text 'dialogSettings' and 'initialSettings' is written, indicating the attributes inherited from the parent class.
